

China-Europe Economic Relations Analyst

Project Title	China-Europe Economic Relations Analyst
Project Summary	Research and analyze current developments in China-Europe economic relations.
Country	China
Country/Region of Focus	Europe and Central Asia

Project Description

U.S. Embassy Beijing’s Economic Section is looking for an intern to monitor, research, and analyze China’s economic relations with countries in Europe. The intern will conduct open source research to develop weekly summaries of significant events in China-Europe economic relations. The intern will have the opportunity to draft policy papers in areas of interest, develop databases to track trade, investment, and cooperation with multilateral institutions, create country-specific fact sheets, and complete other written research documents. This internship is perfect for students interested in China’s growing economic influence around the world.
